---

Members of the Cloverbud Sparks 4-H Club of Kendall County recently had a rope jumping fundraiser to benefit the Hope Chest in Plano. Cloverbuds is a special 4-H program for kids 5-7 years old. The Hope Chest ministry is a food and clothing pantry that helps anyone in need at no charge. The kids took pledges from friends and family members and promised to jump rope for at least ten minutes in exchange for a food donation. Two full van loads of food were donated to the Hope Chest as a result of this fundraiser. For more information, contact Sheri Klaas at 630-553-0317.
