

# Real estate appraisals in northeastern Illinois

Appraisal Services, Inc. is a full-service appraisal firm covering the suburban Chicagoland area of northeastern Illinois. This document outlines our service area. We have other flyers available describing the qualifications of our company— please call for your copy. The map above indicates our primary service area. Additionally, on the other side of this flyer is a city and zip code listing of our market area. We also cover areas that aren't necessarily listed herein. Please call if you have a need in an area not expressly noted here. We

basically cover all of Kane, Kendall, and DuPage counties. And, northwestern Cook county and northern Will county. Check out our website at [www.appraisalservices.com](http://www.appraisalservices.com) for changes to our service area and other important industry information. Don't forget to ask about electronic deliver options. We can set your company up to receive your appraisals electronically. Call today...

Here is a limited list of zip codes and city names for the predominant cities in our market area. Some zip codes and city names for smaller municipalities or areas on the fringe of our service area haven't been included. If it's included here— we cover that area. If not, please give us a call. We routinely go outside of this service area (for an additional fee) or can refer you to another appraiser who handles that area.
